### Hurricanes Irma, Jose, And Maria: Emergency Response

Flooding and strong winds from an unprecedented succession of powerful hurricanes have destroyed homes and crops in the Dominican Republic, Haiti, and other areas of the Caribbean. Hundreds of thousands of people have been displaced, and many do not have access to clean water and basic sanitation. Oxfam is responding by providing safe water, sanitation, and hygiene supplies in order to prevent the spread of diseases like cholera.

Following the damage from Hurricanes Irma, Jose, and Maria, and anticipating more storms in the ongoing hurricane season, you can help people with urgent needs while they recover from the impact and prepare for additional threats.

Donate now to help us meet the most critical needs. 100% of funds designated for hurricane response will be used to support relief and recovery efforts for affected areas.

## One America Appeal

Donate: <https://www.oneamericaappeal.org/>

Hurricanes Harvey, Irma and Maria have brought terrible devastation— but also brought out the best in humanity. As former Presidents, we wanted to come together to help our fellow citizens in Texas, Florida and the Caribbean as they recover and rebuild.

Please give whatever you can. Every cent donated through the One America Appeal will help the victims recover. Thank you.

### What is the One America Appeal?

The One America Appeal is a joint appeal that was originally launched by all five living former American Presidents to encourage their fellow citizens to support recovery efforts from Hurricane Harvey — which inundated the Texas Gulf Coast with unprecedented flooding. This special appeal has been expanded to include areas most affected by Hurricanes Irma and Maria.

### If I make a donation today, where does my money go?

All donations made today will go to help victims of Hurricane Harvey in Texas and Hurricane Irma in Florida. In Texas, monies will go to the Hurricane Harvey Relief Fund focusing on the greater Houston region, and the Rebuild Texas Fund assisting communities across the state. In Florida, monies will go to the Florida Disaster Fund, which is the state's official private fund to assist the state's communities as they respond to and recover from destructive storms. In the Caribbean, donations will be distributed to Unidos Por Puerto Rico launched by the office of First Lady Beatriz Rosselló together with private sector coalition; and the Fund for the Virgin Islands which was established 25 years ago by the Community Foundation of the Virgin Islands for relief efforts.

### Can I mail a check?

Yes. Checks to the One America Appeal may be mailed to:

Norwegian Cruise Line committed today to raise a total of \$2.5M for All Hands Volunteers who will be working in partnership with Happy Hearts Fund to rebuild safe, resilient schools for children in the aftermath of Hurricanes Irma and Maria for the next two years. Norwegian will be fundraising \$1.25M from their guests, employees and partners, then will match those donations with another \$1.25. David Campbell said, “As the single largest donation in our organization’s history, this funding could not have come at a more crucial time as we work to rebuild communities in Florida, the U.S. Virgin Islands and other Caribbean islands after the destruction brought by recent natural disasters, Hurricanes Irma and Maria.” Thanks to Norwegian, we can get to work with our amazing partner, the Happy Hearts Fund, and together, put thousands of displaced children back in school. As an immediate result, we are sending an Immediate Response Team to help families struggling in the Lower Keys of Florida.
